Youngstown Mayor Bars Klan Parade; Klansmen To Defy Him

YOUNGSTOWN, O., November 8.—(By the Associated Press)—Klan men numbering "more than 100,000" from Ohio, Pennsylvania and West Virginia, will gather here Saturday to celebrate "the biggest victory won by the Klan north of the Mason-Dixon Line." Colonel E. A. Watkins, spokesman of the Klan, said today. Colonel Watkins denied reports that a delegation from Atlanta headquarters of the Klan, will be present.

Both sides in the controversy over proposed Klan parade were standing fast today. Mayor W. G. Reese refusing to issue a permit, and Klan officials announcing that the parade will be held.

Meanwhile, observers scanning the figures from Tuesday's election came to the conclusion that the outcome was a question of personalities rather than a measurement of the Klan's strength. They pointed out that Municipal Judge Joseph Heffernan, who is not eligible to membership in the Klan, and whose opponent has been colored publicly by the Klan, polled more than 22,000 votes, as against Scheible's 20,811 votes in the majority race.

It is an open secret here that personal matters militated the principal anti-Klan candidate; and on the other hand it was conceded, even by the anti-Klan newspaper here, that Mr. Scheible's character and political record are excellent. In the municipal judge campaign, however, even the Klan organ admitted that Judge Heffernan was deservedly popular.

Many observers, therefore, hold that the Klan endorsement was not a potent factor.

In this connection it is pointed out that when the Klan's safe was robbed some time ago, the Kleagle said that the membership list, which was stolen, contained 9,500 names. It is understood that this list covered at least two counties, and that the membership in Youngstown would not be more than half the total.

College Girl Is Growing

NEW YORK, November 8.—(By the Associated Press)—The college girl is growing. Since 1884 she has sprouted an average of one and three-tenths inches. She also is putting on weight, her waist measurement is larger and even her lung capacity has improved.

These advancements are based on statistics compiled at Vassar College by Miss Mabel Newcomer, economics department, from measurements taken by the department of physical education. The figures show that from 1884 to 1920, the weight of college girls increased from 123.8 to 125.8. The waist measurement dropped from 25 to 22 from 1881 to 1896, stood still for ten years, then gradually increased until it reached 25 once more.

Improvement in physical condition was attributed to the increased interest in athletics.

Klan Issue In Memphis

MEMPHIS, TENN., November 8.—(By the Associated Press)—Memphis voters went to the polls today to elect city officials for term of four years after a spirited campaign, in which the Ku Klux Klan was made issue for the first time in the history of Memphis politics.

Three tickets are in the field—led by Rowlett Paine, candidate for re-election, as mayor, another by Major Lewis T. Fitzhugh of the municipal court, as the mayoralty candidate both with anti-Klan planks in his program, and W. Joe Wead, an independent candidate for mayor, who has given the endorsement of the Klan.

ATLANTA, GA., November 8.—(By the Associated Press)—William Joseph Simmons, emperor of the Ku Klux Klan, today issued a signed statement in which he invited a challenge to Dr. H. W. Evans, imperial wizard of the organization, to "come out in the open and give the public the facts" in connection with the shooting to death of Captain W. S. Coburn by Philip E. Virginia Engineers, Firemen Walk Out

ROANOKE, VA., November 8.—(By the Associated Press)—Virginia Railway engineers and engineers to a number not definitely determined, walked out today as a result of a dispute over the discharge of several of their number recently removed. Officials estimated that between 400 and 500 had quit work, involving two-thirds of the line's engine crews.

The Railroad Labor Board had ordered action held in abeyance pending a hearing November 14 on the controversy between the railroad and the men. Vice President G. H. Hix, of the road, telephoned the board today asking authority to employ men to fill vacancies so that all trains might be kept in operation pending a settlement of the dispute.

The Virginian Railway is largely a coal carrier and runs from the West Virginia fields to Hampton Roads.

Wheeler Denies Charge. WASHINGTON—Wayne B. Wheeler, general counsel for the Anti-Saloon League, denies that his letter to Secretary Mellon on law enforcement had any bearing on Pennsylvania political situation or that it was aimed at Governor Pinchot.

Although the program did not specify the total capital expenditures for 1924, that might be written in the budgets of individual roads, it expressed complete satisfaction with results of the billion and a half dollar plan for expansion embarked upon last spring.

Continued intensive effort to reduce the percentage of locomotives and cars awaiting repairs and maintain them at the lowest possible minimum consistent with the volume of business offered and the revenue the roads are permitted to earn.

Increased supervision by the roads and greater co-operation with shippers to attain fuller utilization of car capacity.

Continued intensive effort to increase the average daily movement per freight car and to set new records for prompt movement of traffic.

Through consideration of the possibility of a more extensive interchange of joint facilities.

Continued complete co-operation of the roads through the car service division of the American Railway Association, which provides a central control and distribution of freight cars between various railroads and territories.

It is understood that Jusserand gave a satisfactory explanation of Polonaise's reservation that the question of the French and Belgian occupation of Ruhr cannot be dealt with in the expert conference.

An official announcement of the date of the proposed conference is expected within the immediate future probably within the next forty-eight hours.

It is expected that the announcement itself will come from Paris.

The conference late yesterday between Secretary Hughes and Ambassador Jusserand, when the French ambassador gave Hughes the further explanation of the restriction yesterday desired by the United States government that Premier Polonaise is seeking to place on the scope of conference is regarded as to have constituted the virtual climax in the situation.

The roads pledged themselves to continue intensive effort to reduce the percentage of locomotives and cars awaiting repairs and maintain them at the lowest possible minimum consistent with the volume of business offered and the revenue the roads are permitted to earn.

COLONIAL, O., November 8.—(By the Associated Press)—Complete official returns from Tuesday's statewide elections, tabulated last night at the office of Secretary of State Thad H. Brown, did not alter the results as indicated by earlier returns. Two constitutional amendments providing for the elimination of the "open liability" feature of the workmen's compensation law and eliminating the words "white male" from the qualifications of voters, were approved by large majorities, while the remainder of the proposals were decisively defeated, the majority against the referred Albaugh taxation bill exceeding 400,000.

The vote from all of the state's 8,279 precincts showed:

Workmen's compensation: yes, 531,907; no, 514,120.

Elective franchise: yes, 529,193; no, 482,380.

Rumors of an earthquake which took place between 2:00 and 2:15 this afternoon caused much excitement among the residents in that vicinity. Telephone calls poured in from the office reporting that houses were rocking badly. One man stated that his back door was shaking as he ran to see whether their gas stoves had blown up. And when the earthquake came through with its roar, so to speak, it turned out to be simply an overdose of dynamite which Otto Tausser, a workman set off in cleaning out a drain in the cellar of a house at an unoccupied house at 1010 Fourth street, belonging to his father-in-law, J. P. Warheit.

To Talk On "International Relations"

Tomorrow, Friday night, at eight o'clock, H. Everett Colby of New York will speak in the high school auditorium on "International Relations," a most timely topic and one that should interest every citizen. This is the last of a number of International Relations Conferences held within the state of Ohio during the last three weeks by Mr. Colby. The Conferences are held under the auspices of the Ohio Federation of churches.

Did you ever see a regular boy go tearing down the street on an errand he liked?

Just try to stop him.

We know a lot of people who start saving money. At first they are not like this boy at all, but more like a boy on his way to the wood shed for a licking.

But when they see the savings grow, they become so "all-fired" interested that they equal the pace of the boy in the picture.

Saving money is like that. It's a great game. It grips hold of you and "does wonders" if you are only lucky enough to make the start.

Jail Issue Carried By 1,028

The official majority on the new jail levy proposition to issue bonds to the extent of \$100,000 to provide a new jail to be built in connection with a new 250,000 court house was 1,028. The total vote in the county on the proposition showed 6672 for the new jail and 5641 against. The vote in the city was \$248 for and 2875 against. In the county the vote was 1,124 for and 2,762 against. The vote in the county outside the city showed a majority against the new jail but the big majority of 2,373 piled up in the city easily overcome the "no" majority in rural sections.

Man 74 Years Old Is "Rejuvenated" In 3 Weeks Without Gland Operation

Kansas Contractor Tells of Wonderful Results Obtained in Test Of New Scientific Discovery.

Thomas J. Glascock, 74, well known Kansas contractor, declared he has virtually been made young again by the recently discovered koren compound, which is pronounced superior to "gland treatments" as an invigorator and revitalizer.

"I feel like I did at 35," says Mr. Glascock, "and seem to be getting stronger every day. During my three week's use of the new discovery, pains and weakness of many years standing disappeared almost magically. Today I am as vigorous and supple as I was in the prime of life. Furthermore, when I began using the compound, my memory was virtually gone and I was almost blind. Now my mind is clear and active and I can read the finest print without difficulty."

In order to find out whether the results were lasting, Mr. Glascock waited six months before reporting on his test of the discovery. On this point he says:

"Every passing day strengthens my conviction that my restoration is not only complete but permanent. I can't express the happiness this great discovery has brought to me. It has made me young again."

Similar reports are being made almost daily. For instance, D. W. Wood of New Orleans, past 60 years of age, says: "The compound has brought me back to as good, healthy physical condition as I enjoyed at 35. I am apparently as supple as at 25 and my eyesight is better than for years. I would not take \$5,000 for what the discovery has done for me."

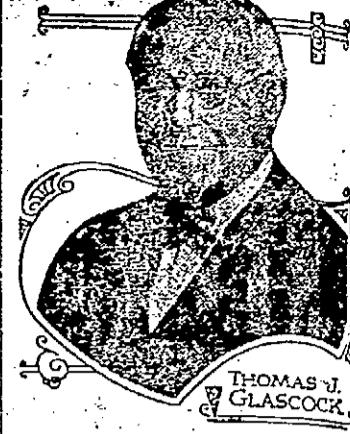

The compound is a simple home treatment in tablet form, absolutely harmless, yet rated as the quietest and most powerful invigorator known. Acting directly on lower spinal nerve centers and blood vessels, it brings gratifying benefits in a few days according to thousands who have tested it.

"It is wonderful," writes a resident of Hollister, Cal. "In less than 24 hours you can feel it does the work. It makes one feel young as a young man. I am more than happy and glad I tried it." Another Californian says: "The compound is a world's wonder. I feel like I was about 25 and here I am nearly fifty!"

The decree was granted on the ground of willful absence and the defendant is divested of all interest in plaintiff's property. Turner was represented by Attorney H. L. Small.

THOMAS J. GLASCOCK

The compound has been tested in all parts of the country and has won the praises of thousands who suffered from nerve weakness, lessened or depleted vigor, neurasthenia, premature age, impaired glandular activity and lack of animation and vital force. It often seems to be virtually the same on both young and old. Physicians say the compound gives speedy satisfaction in obstinate cases that defy all other treatments. Elderly people pronounce it a real "fountain of youth."

Realizing that thousands of interested, half-alive folk may consider such news "too good to be true," the American distributors have agreed to supply double-strength treatment of the discovery on a guaranteed trial basis to everyone in need of such a preparation. If you wish to test the compound under a money-back guarantee, write in strict confidence to the Melton Laboratories, 4163 Melton Building, Kansas City, Mo. for a two-dollar treatment of koren compound, mailed in a plain sealed wrapper. You may enclose two dollars, or simply send your name, without money and postage on delivery, as you prefer. In either case, however, if you report within ten days that you are satisfied, the laboratories will refund the purchase price upon request. The laboratories are nationally known as thoroughly reliable, so nobody need hesitate about accepting their guaranteed offer.—Advertisement.

Rheuma Gets to Work First Day—Drives Out the Poisonous Uric Acid—and Brings Quick Relief

Treated, swollen, upright joints are rapidly freed from pain and brought back to normal. After a few days' treatment, walk without aid; sleep comes to those who have been unable to do so; hands that were helpless become strong; terrible rheumatism are now able to take their share for the support of the family.

Rheuma is a wonderful remedy for rheumatism, gout, neuritis, lumbago and neuralgia.

It is a wonder-worker; it never fails; never gives up until every vestige of pain and poison is expelled from the body.

Rheuma acts on stomach, liver, kidneys and shoulder all at once and quickly drives bad blood away for comfort to distract from other aches, pains, and aches. It does not give up until every vestige of pain and poison is expelled from the body.

Father and Son Elected

Father and son were among the winners in the election at New Boston Tuesday when Marion Peale was victorious over four opponents for justice of the peace, to succeed Squire J. L. Ricketts, and

his son, Robert Peale, was chosen as village treasurer.

The older Peale is a former magistrate, having served in that capacity in Clay township for several terms a number of years ago.

Manly Building Committee To Banquet

The committee which has been chosen to carry out building plans for the new Manly M. E. church, will banquet in the basement of the church Thursday evening at 6:30 o'clock. The Liberty Sunday School class has kindly consented to serve this banquet, for which they will make a minimum charge to reimburse them for their expense. It is the plan of the committee in charge to have all men, who are connected with the activities of Manly church, or who would like to take part in this building movement, attend the banquet. Any such men who have not been notified heretofore may accept this notice as an invitation to the meeting.

Two Men Fined

Emory Castle, Waller street soft drink room proprietor, and John Fulton arrested by state prohibition officers on charges of possessing moonshine last Saturday, were fined \$100 and costs by Mayor W. E. Newberry Tuesday. Castle paid up and was released, while Fulton is expected to serve out his fine in the county jail.

Officers Elected

A very impressive meeting of the Kappa Sigma Pi and Phi Beta Pi organizations of Manly M. E. Church was held Monday evening at which time installation of officers for the year took place. The impressive ceremony was in charge of Rev. President A. Cross, pastor of Manly M. E. Church, after which Members Walter Mitchell and Anna Busch together with Rev. Cross gave splendid talks.

Do we eat to live, or live to eat?

THOSE who live to eat usually have a short life, and not always a merry one.

Those who eat to live know that it is not how much they eat, but rather the food they properly digest that makes for health and long life.

The crisp, delicious wheat-and-barley food, Grape-Nuts, is not only good to eat, but it digests easily, and supplies life essential vitamin and mineral elements from the grain, without which health and strength cannot be maintained.

Grape-Nuts with milk or cream is completely nourishing—a delightful, well-balanced food for those who eat to live long and happily.

"THE FOOL"

BY CHANNING POLLOCK
ILLUSTRATED BY R.W. SATTERFIELD

BEGIN HERE TO DAY
Clare Jewett, in love with the Rev. Daniel Gilchrist, marries Jerry Goodkind for his money. Daniel is dismissed from the fashionable Church of the Nativity in New York because of his radical sermons. Gilchrist is sent to the coal mines by Goodkind senior and wife that a big strike is settled.

A delegation of strikers comes north to interview the president and directors. Daniel gives the magnates 24 hours in which to sign an agreement which Gilchrist had made tentatively with the miners. Daniel establishes "Overcoat Hall," a refuge for the unemployed and maintains apartments with baths for poor people.

NOW GO ON WITH THE STORY

"What are you reading?" he asked. "Something about 'Better Babies'." "Are you going into the baby business?" the man asked, smiling. "No, I was a hansom driver. Taxis-man and boy—40 years. Then taxis come in—and I went out."

"What'd you do then?" the visitor was inquisitive.

"Took to drink," said Grubby blandly.

"Yeah, then drink went out," observed Mack.

"What's your job?" It was Grubby's turn to question.

"Well, I was in the movies," Mack replied. "That is, I was going to be, but the fellow that was going to put up the money, his mother didn't die after all. Before that, I sold bricks—books, too. And life insurance. Never had any luck." Who wrote that? "Luck is work!"

"Well, it isn't. I've worked at 50 things and look at me. I figure the world owes me a living, and here I am waiting for a bite of grub and an overcoat." It is true this guy'll give you an overcoat?

"Will if he's got one. You just come and help yourself, and talk things over. Coffee and sandwiches every night—and supper and sermons on Wednesdays."

"Preachin,'" said Mack, rising. "I'll come back to-morrow."

Grubby was reassuring him when Mary Margaret entered. She was a mere wisp gliding on crutches, 15, pathetically pretty. She found cups and saucers on a shelf and busied herself with them.

"Don't he try to reform you?" queried Mack of Grubby skeptically. He hadn't noticed the girl.

"Now," said Grubby. "The way he talks you'd think you was as good as him. He says he's going to start me up in the taxi-business."

"What's the catch? There must be some graft in it somewhere."

"If you ask me, I think the poor bug's got a few nits in his nosebag." Grubby described a circle over his head with his hand. "A little bitatty. That's what I say."

"And that's what you got no right to say, Grubby." Mary Margaret pronounced the two with a look. "He's been good to you, ain't he?"

"That's why we think he's nutty," said Grubby. "What's he do it for?"

"Cause he loves you," said the girl, simply.

"What for?" asked Grubby uncomprehendingly.

"God knows!" mocked Mary Margaret.

She hobbled to the table and began to set it. "It's after 7 now," she sighed, "and the meeting half an hour away and he ain't had a bite to eat."

brella and it crashed to the floor with considerable racket.

Daniel turned to look into the sheepish eyes of a thief.

There was neither anger nor vengeance in his face—there was a smile.

CHAPTER XVI
Goodkind Thentes

GILCHRIST surveyed the thief for a moment in silence. There wasn't even reproach in his eyes. His calm, his look of kindness, totally disarmed the man. He dropped the coat in surrender, waiting for denunciation, brutality, arrest, he knew not what? Gilchrist made no move toward him.

"I thought you'd gone," Daniel said at last.

The thief had fled, utterly—but the man was still there.

"No—I—I wanted—" he faltered.

"I wanted my coat," said Gilchrist calmly.

Mack smiled at the simple explanation.

He was relieved and somehow he felt very warm.

"Yes—that's—that's what I wanted to ask you," he said.

"I'm so glad you said so," said Gilchrist without a trace of irony.

Mack looked up, surprised. "Because," went on Daniel, "if you hadn't, and I hadn't understood, you might have been tempted to take it without asking—and then you'd have been so sorry and ashamed." Mack wanted to lower his head, but he couldn't. The other's eyes held him.

"A man couldn't come into another man's house, and be welcomed, and then take the other man's coat, without losing his self-respect—could he?"

Mack only stared. "And of course, if we're going to pull ourselves together and get out of a hole, we must keep our self-respect."

"I wouldn't steal—" started Mack apologetically.

"You couldn't," said Daniel complacently.

He stooped and picked it up. "It's your coat. You asked for it, and I gave it to you. When you've worn it into a good job—come back and help me give another to someone who needs it as you do." He held up the coat for Mack to don.

"I will," said the man, pushing an arm through a sleeve, still bewildered beyond words.

"Of course you will," said Gilchrist, slapping him on the back.

"Good night."

Mack hesitated. Gilchrist had turned back to Goodkind. Mack looked at him as though he had been convinced of his madness. Then shrugging his shoulders, he strode out.

The slam of the door touched a spark to the silent Goodkind.

"Well, I'll be damned," he exploded.

Gilchrist laughed. "He won't come back." Goodkind continued half-angry. "Not one in ten would come back."

"All right," said Daniel genially.

"That coat cost \$20. If one in ten does come back, we've made a man for \$200. Isn't it worth the price?"

"Maybe," said Goodkind, without conviction. "If a man's got the price. Have you?"

Miss Dolly Wise

She is here to answer any and all questions concerning love, money, troubles, woes, etiquette, etc. Inquiries should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth Ohio.

Dear Dolly—I am coming to you for advice and if I don't get it I don't know what I am going to do. Dolly, I am a married woman with five little children to look after and I am so worried and nervous that I don't know which way to turn or what to do. Now, Dolly, I have two brothers, one married and one single, a mother and a step-father, and they keep me worried to death all the time. My step-father is the blunt. He keeps chasing around from place to place and my mother keeps chasing after him to see that he does not get chance to "step out" with anyone else. Dolly, I have often heard of girls worrying their mothers, but this is the first time that I have ever heard of a mother worrying her children. I know I have never given her a moment's worry in my life, only when I was sick and I couldn't help that. Dolly, please tell me what to do before I go crazy, as I am a nervous wreck. Any advice will be appreciated.

WORRIED READER.

You seem to be making a mountain out of a molehill, or looking at your troubles through a magnifying glass, as I can't see that they amount to very much. In the first place, I would deliver an ultimatum to my brothers that they would keep themselves or go broke. In the second place, if your mother must have money other than what your step-father gives her I would see that the single brother paid his share of the allowance that you give her. Another thing, if you think that your mother is making a "wild-goose" chase by gallivanting over the country trying to keep tab on her husband, tell her so, and refuse to give her the money to foot the bills. If you don't want to do this yourself, have your husband tell her. I think you are doing your share, and that anyone could expect, when you are willing to take your mother into your home and keep her, when her husband refuses to do so. If they will not co-operate with you by trying to get along the best way they can, I would go my way and let them go theirs. Some people do not appreciate what others do for them, and when they begin to impose upon you and try to make your life miserable, I think it high time you begin to assert your independence.

On Friday evening, November 9th, the members of Portsmouth Court 103, Tribe of Ben Hur, will celebrate their twenty-third anniversary in Ben Hur Hall, corner of Fifth and Chillicothe streets.

Several surprise officers will be present to witness a large class initiation.

Following the initiation work a banquet will be served and orchestra music will be furnished for those wishing to dance.

Invitation notices of the affair have been mailed to all members, but through some mistake the Tribe of Ben Hur was omitted.

All members of this popular organization are urged to get together and make this the anniversary of

members.

Mrs. D. L. Artis delightfully entertained the members of the Pleasant Hour Club on Wednesday afternoon at her home, 1111 Seventeenth street. Needlework and social chat formed the interesting diversion until five o'clock, when a dainty tea course was served to the following members:

Mrs. Clifford Baker, Mrs. Robert McNeil, Mrs. Everett Hardgrave, Mrs. William Hansen, Mrs. Floyd C. Wells and the hostess.

Guests for the afternoon included Mrs. Ralph Mantel, Mrs. J. A. McDaniels and Mrs. Ruby Heberlein.

The next meeting will be with Mrs. Floyd C. Wells, 1056 Sixth street, in two weeks.

A one o'clock luncheon of exquisite appointments preceded the regular meeting of the Art Circle on Wednesday afternoon at the home of Mrs. Paul Gable, 1517 Eleventh street. The usual diversions of needlework and social chat were followed by an appetizing refreshment course, served to the following:

Mrs. David Ladd and daughter, Marcella, Mrs. Kline May and son Douglas and daughter Iris, Mrs. Albert Meaus and son Robert, Mrs. Edgar Jones, Mrs. Oscar Burkhardt and son Junior, Mrs. Albert Thacker and son Ralph and Mrs. G. Hager.

Mrs. Norma Hark of Ninth Street, visiting in Bluefield, W. Va., with her brother and sister in law, Mr. and Mrs. Orlo Hark, and is filling a week's engagement as vocal soloist at a Bluefield theatre.

Aftermath On Piketon Election

PIKETON, Nov. 8.—A drizzling rain which fell almost continuously throughout the day Tuesday did not dampen the ardor of those folks in Piketon, who play politics not alone as a business but from an inherent fondness for the game, as well.

On account of heavy roads and inclement weather, the country folk living in Seal township, found it extremely disagreeable to face the elements and as a result a very light vote was cast in this precinct, the total vote being 133. This township which is normally Democratic gave nice majorities to all of the township candidates, except George N. Leist who was defeated by

his Republican opponent John W. Stratton by the small margin of six votes. The township also gave substantial majorities to the Democratic candidates for County Board of Education, Rev. James W. Sylvester of Chillicothe and Ernest Wills of Idaho. The amendments to the constitution and the referendum measures were defeated decisively in the township.

An almost unbelievable thing occurred in the history of staid old Republican Piketon Tuesday night when the counting of ballots disclosed that Rev. James W. Sylvester and Ernest Wills, Democratic candidates for members of the Pike County Board of Education had run neck and neck with Paul Dewey, prominent young merchant of Jasper and one of the Republican candidates for County Board of Education and that they had actually run ahead of the other Republican candidate, Ed Daniels of Stockdale, and all of this in Piketon, the strongest Republican precinct in Pike county. It is not likely that the split showing made by Sylvester and Wills is due to any serious unrest in the Republican ranks in Piketon, but is probably due to three things, namely, the fairmindedness and sympathetic spirit of the electors of Piketon, their loyalty to Rev. Sylvester who has been pastor of the Piketon Church of Christ in Christian Union for the past twelve years, and the popularity of his running mate E. A. Wills who is widely

revered and popular in Piketon and last but not least, and their appreciation of the splendid work done by County Supt. O. F. Williamson in behalf of the schools of Piketon and Pike county during his three years' residence in Piketon and his incumbency in the office of County Superintendent of schools. Pike county put her seal of approval on the administration of County Supt. Williamson, Tuesday, when they elected the above two men, who are in sympathy with his constructive program, as members of the Pike county board of education.

The fight for members of the Piketon Board of Education was confined to the Republican party as for some inexplicable reason the Democrats did not have a school board ticket in the field. The independent Republicans candidates Dr. J. P. Seiler and S. S. Daily were elected over their opponents Clyde Cheseman and Frank Stigot who were regularly nominated by the Republicans, by substantial majorities.

The following are the officers elected in Piketon all of whom are Republicans: Mayor, John W. Downing; Clerk, John W. Stratton; Marshall, C. A. Markham; Treasurer, Harley Brunning; Members of Council, S. S. Daily, T. J. Markham, T. N. Patterson, G. W. Rittenour, Frank Sicott, Floyd Ware; Members of the Board of Trustees of Public Affairs, Russell Talbot, Charles Dawson, Allan G. Foster; Assessor, T. J. Markham. In the township the following officers were elected: Board of Education, George N. Loebbaum, Jr., John Channell; township trustees, William Holt, George Voelker, Fred Kress; Clerk, John W. Stratton; constables, James Blaneau, John Justice, Dick Richardson; assessor, Walter Graham.

Perhaps you don't know that you have this serious trouble which often causes apoplexy and unexpected death, but if you suffer from dizzy spells, shortness of breath, hot flashes, are nervous, moody or can't sleep well, your blood pressure is undoubtedly higher than it ought to be even if you don't realize it.

Norma, the prescription of a Buffalo physician, reduces high blood pressure, then all the ailments caused by this abnormal and dangerous condition quickly disappear.

Fisher and Streich and reliable druggists everywhere have a big demand for Norma—it has helped thousands and should do the same for you. Be sure to ask for Norma, as this is purely vegetable and guaranteed to contain nothing harmful.

Official Figures Of Election

Delaware County Board of Elections completed its canvass of the vote cast in Tuesday's election this morning, and the official figures announced disclose no material changes from the tabulated count previously given.

The official tabulation gives Ralph Calvert a majority of 3,120 over William N. Gableman for mayor, and Chandler's majority over Fritzel remained at 2,189, while Evans' margin over Jones for treasurer, finally settled down to 534.

Workmen's compensation carried by

and Elective Franchise received a majority of 1,521, but the Taft Bill lost by 3,616 and the Albaugh Bill was slaughtered, receiving a majority against it of 2,352. The Publication Amendment lost by 421 and a majority of 970 was registered against the Old Age Pension proposal.

For school board in the city, Knott, Clark and Yeley were the three winners with Gronninger the runner up, while in the fight for county school board the two McCowan candidates, Ord Thompson and Carl J. Herms were returned the winners by approximately 600 votes over their opponents, Smith, Crull and James A. Olson. The official vote in full:

Child-birth

HOW thousands of women, by the simple method of an emmenagogue, have avoided unnecessary miseries and complications many months and even years before the moment Baby has arrived, is fully explained in the "Mother's Friend" book.

"Motherhood and the Baby" tells also how to bring up and care for babies and after birth, gives a comes, probable date for birth, baby rules, etc., and "Mother's Friend," used by three generations of mothers and sons in every state and country where "Mother's

"Friend" is applied.

Five cents. narcotics, permits easier natural readjustment of muscles and nerves during pregnancy and childhood. Mrs. K. K. Kerger, Dayton, Ohio, says, "It helped me through." Send for book "Motherhood and the Baby" to Brandt's Regulator Co., 104 W. Main Street, Dayton, or write. They are for sale at all drug stores.

"Don't Get Up Nights Anymore"

No one need suffer the pain and annoyance of bladders, kidneys, getting up at night, etc., which折磨s. Nelson, New York manufacturers, say: "Before I took Lithiated Buchu (Keller formula) I had to get up two or four times every night, but now I am not disturbed at all, and I can sleep all night. It got so bad I could not go any place to visit or work; for I had no control of my bladder. I am all right now and have no trouble at all. I suffered from this trouble will be surprised at the improvement passed after a few doses of Lithiated Buchu (Keller formula). It acts on the kidneys and bladder similarly to Pepto-Bismol, relieves frequent desire at night, resulting, scanty or high-colored urine. Lithiated Buchu tablets (Keller formula) is not a cheap medicine, they cost 25c a box, but are worth the price which are useful for relief of this trouble. At drug stores everywhere, or write. O. W. U. To Play O. U. Saturday

DELAWARE, Nov. 8—Coach Gauthier and his Methodist grididers have been busy this week polishing the execution of the plays with which they hope to turn back the Ohio Aggies next Saturday and to defeat St. Xavier and Akron in the two following games.

The Ohio Wesleyan eleven is also working on its forward pass defense this week following the thrill which the Michigan Aggies gave them last week in the second half, when their remarkable aerial attack netted them two touchdowns, and came near spelling de-

feat for Wesleyan.

Coach Gauthier regards Ohio as a strong foe and is making careful preparations to insure that the game shall be a victory. Gauthier points out that although the Ohio record is unimpressive for games lost, and won, the

Athens eleven has given every opponent a tight game.

Present Petition To Resurface Lower Second Street; Engineer Has Plan To Name All Alleys

The first meeting of city council; considerable business was transacted after Tuesday's battle of ballots, which swept the Republicans into complete control of the city government, was held last night with the entire membership present, and President Al Weghorst presided. The sentiment "to make it snappy" prevailed and the session lasted little more than an hour, during which

FRIENDS NOTICED IMPROVEMENT

Wonderful Results from Lydia E. Pinkham's Vegetable Compound

Bethel, Wis.—My female trouble was brought on by overwork. I had worked in stores and had to do heavier work than my strength could stand and had to be on my feet most of the time. Finally I had to give up this work entirely and stay at home. Doctor's medicine did not give me much relief, and my mother wanted me to take Lydia E. Pinkham's Vegetable Compound. I took a couple of bottles of it and thought it did not help me as much as it should, so I gave it up to try something else. Nothing I took helped me much, so I finally decided to give the Vegetable Compound another trial and to take enough of it to make sure it would help me. I have taken it over a year now and it has brought wonderful results. I have gained from 93 to 110 pounds and am keeping them now. My friends have noticed the change in me and I will glad to answer all letters that women write to me about the Vegetable Compound.—Mrs. W. G. MONSON, 1616 Park Ave., Beloit, Wis.

Mrs. Monson is willing to write to any woman suffering from such troubles.

After the communication had been read Member Diener said that a number of persons had voted objection to the line being built up Mabert Road because of a desire not to tear up the paving on that thoroughfare and suggested that the line go up Young street. The communication was referred to the Committee on Railroads, and Chairman Konatz stated that he would call a meeting of the committee with the council, with a view of coming to some agreement as to the route to be established. The communication in full follows:

Belt Line Up

The following request from the Street Railway and Light Company was presented to council:

To the Honorable Council of the City of Portsmouth, State of Ohio:

The undersigned hereby request permission to construct, maintain and operate a street railroad in the city of Portsmouth, State of Ohio, over, along and upon the following streets: Beginning at the intersection of Third and Chillicothe streets; thence over and along Third street to the intersection of Third and Union streets; thence over and along Union street to the intersection of Union and Sixth streets; thence over and along Sixth street to the intersection of Sixth and Campbell Avenue; thence over and along Campbell Avenue to the intersection of Campbell Avenue and Eighth street; thence over and along Eighth street to Lawson Run viaduct; thence over and along Lawson Run viaduct to its intersection with Gallia avenue; thence over and along Gallia avenue to the intersection of Mabert Road; thence over and along Mabert Road to the intersection of Seventeenth street; thence over and along Seventeenth street to the intersection of Gar-

field street (old Chillicothe Road); thence over and along Garfield street to the intersection of Grant street; thence over and along Grant street to the intersection of Offner street; thence over and along Offner street to the intersection of Seventeenth street; thence over and along Seventeenth street to the intersection of Findlay street; thence over and along Findlay street to the intersection of Ninth street; thence over and along Ninth street to the intersection of Chillicothe street; thence over and along Chillicothe street to the intersection of Third street, said railroad to consist of single or double track with the necessary switches, turnouts, curves, loops, Y's, poles, wires and all other necessary fixtures and apparatus to be operated by electricity or other motive power except steam.

And the undersigned respectfully request your honorable board to take the necessary steps required by law to establish said route, and grant said permission.

Respectfully,

Portsmouth St. Ry and Light Co.

By R. D. York, President and General Manager.

To Name Alleys

On the recommendation of Engineer E. J. Holmes, legislation was ordered giving names to 113 alleys and designating their location so as to complete an index system being installed in the engineering department.

A petition presented by B. E. Martin and other property owners of Jackson street, Rose Ridge addition, urging council to proceed with the improvement of that street, was filed, since no action can be taken until Judge Stephenson hands down his decision in the injunction suit, brought by Joseph T. Mickelthwait, tying up the work.

A petition signed by 85 property owners seeking the resurfacing of Second street, from Chillicothe street to Scioto bridge with shot asphalt, was referred to the street committee. This improvement is supported by the West End Improvement Association.

Water Mains Provided

\$42,652 was appropriated to cover the cost of laying water mains in the following streets:

\$1,560.40 Twenty-seventh street.
\$1,043.80 Shawnee Avenue.
\$4,413.00 Union Avenue.
\$2,190.80 Summit street.
\$1,672.20 Twenty-third street.
\$1,390.60 Third street west of Brown.
\$1,403.60 Fourth street west of Brown.
\$739.20 Farney Avenue, Sciotoville.
\$1,079.20 Twenty-eighth street.
\$1,434.80 Cedar street.
\$1,434.80 Cypress street.
\$1,434.80 Shawnee Avenue, Twentieth to Twenty-seventh.
\$2,474.40 Briggs Avenue.
\$819.20 Briar Avenue.
\$2,254.40 Ruthian Avenue.
\$15,864.00 Cole Boulevard.
\$1,645.60 Seventeenth street from Mabber Road 600 feet west.

Notes for \$400 and \$500 will be issued under a resolution adopted last night, in anticipation of assessments, to pay for inspection on the resurfacing of Second and Eleventh streets.

Requests for street lights on Twenty-eighth street, near the end of the paving, and on Denby street, Sciotoville, near the railroad, were referred to Service Director Cook.

Flood Protection Provided

The possibility of floods this coming winter was brought up by Service Director Cook and \$500 was appropriated to be held in readiness in case needed for labor to make the pumping stations, which have recently been put in repair.

The need of the Third Street sewer was urged by Engineer Holmes. This sewer would cost about \$1,260.00 and was referred to the street committee.

\$3,000 was ordered transferred from the General fund to the Service fund to take care of payrolls from now until Jan. 1.

Engineer Holmes was instructed to survey the Shearer Hollow road, which, it is understood, the city will take over.

The plan of the Nathan Pyles addition was adopted.

Plans for the erection of a bungalow type fire department in Sciotoville were turned over to the police, fire, and market committee for estimate.

Indian, Alleged

Slayer, Also Dies

LETHBRIDGE, ALBERTA, Nov. 8.—Two stab Joe Blackhorse, a full blood Indian, alleged to have slain Winnie Tellestrup, Raymond High School girl last Friday, died in a hospital today. He attempted to commit suicide yesterday by blowing up his coal mine while he was in it. He was removed from the mine in a serious condition, his body having been badly mangled.

The alleged slayer of the girl, whose body was found in a smoldering straw stack Sunday night, was taken to a hospital under heavy guard.

POLITE PROMINENCE

"Did you go to Paris for your divorce to avoid public attention?"
"Not at all. I wanted it to get into the paper with the distinction of being foreign news."—Washington Star

"NO MORE HEADACHES SINCE TAKING KA-DI-OK" SHE SAYS

MRS. THERESA SCHMIDT, COLUMBUS, OHIO.

Indigestion and Constant Headaches, Due to Nervous Trouble, Quickly Overcome.

"If you are nervous, take Ka-di-Ok," is the advice offered by Mrs. Theresa Schmidt, 462 Zettler street, Columbus.

"I was so nervous I couldn't get much rest," declares Mrs. Schmidt. "At night I would lie awake for hours at a time trying to get to sleep."

"I had a constant headache from morning to night. I had no appetite and what food I ate failed to digest on account of my nervous condition. I naturally became very weak and was just able to keep on my feet and drag myself around."

"I heard and read so much about Ka-di-Ok, that I was induced to try it. I had not taken it but a few days until I felt better; then my nervous became steadier and I got so I could sleep good. My appetite came back and my stomach got in better shape. I am entirely well now, thanks to this medicine."

"I always tell my friends that I know Ka-di-Ok is good and the best way for them to prove it is to get a bottle and try it. I am sure they will not be disappointed."

Ka-di-Ok can be obtained in Portsmouth at Fisher & Streich's Drug Store.

Road Levy Beaten In Adams Co.

WEST UNION, Nov. 8—(Special to The Times)—Possible permanent improvement of intercounty highways leading through Adams county, particularly the A-1 highway between Cincinnati and Portsmouth, was given a set back by the Adams county electorate Tues-

day, when they defeated the proposed two mills good roads levy.

The official vote, with two precincts lacking, gave only 1771 votes favoring against an opposition of 2,055 ballots, or a margin for the opposition of 884.

Massie Beaten In Rush Township

Out in Rush township on the West Side a little surprise was enacted on Election Day when Emmett Gravitt, a democrat defeated Gus Massie, a well known republican of that section for township trustee.

Other trustees elected were Albert Colley and Andy Crowe, both republicans. T. A. McClure was elected clerk and John Rose Justice of the Peace.

Requests for street lights on

Twenty-eighth street, near the end of the paving, and on Denby street, Sciotoville, near the railroad, were referred to Service Director Cook.

Nuxated Iron Will Make You Well and Strong

THIS little picture shows you what the Doctor sees through his microscope when he looks at a drop of your blood when you are tired and run-down.

This is thin pale, watery blood which keeps you weak, nervous and run-down. If you tire easily; if you look pale, haggard, soon to look at a drop of your own blood under the Doctor's powerful microscope and compare it with a drop of pure, healthy blood, rich in iron. Actual blood tests show that a tremendous, largely number of people who are weak and ill, lack iron in their blood, are ill for no other reason than for lack of iron.

Without iron the body loses the power to change food into living tissue; therefore, nothing you eat does you the amount of good you don't get the strength out of it. As the result of this blood starvation, people become gradually weakened, anaemic and frequently develop all sorts of conditions. One is too fat; another is burdened with unhealthy fat; some are so weak they can hardly walk; some think they have dyspepsia. Kidney or liver trouble comes on. Some of the others are sleepy and tired all day; some fussy and irritable; some skin and bloodless, but all lack physical power and endurance.

HERE is a picture of the way your blood looks when you look under the microscope when you have plenty of good rich red blood. Blood like this is rich with iron, but be sure that the iron you take is organic iron and not metallic or mineral iron which people usually take, as metallic iron is iron just as it comes from the action of strong acids on iron filings.

Congratulates New Mayor

On behalf of the Chamber of Commerce Manager Adam Flick yesterday sent a letter of congratulation to Mayor-elect Ralph Calvert and all other successful candidates in Tuesday's election. The letter follows: "Enclosed by the very splendid results of yesterday, you are to be commended and it is a pleasure to say that we know of none that will give to the affairs of this City more of real service in directing municipal affairs than you, yourself, therefore, the City is fortunate, indeed, and to be congratulated in having your attention at a time when we have large problems such

Organo Iron is like the iron in your blood and like the iron in spinach, beans and apples. It may be had from your druggist under the name of Nuxated Iron. Nuxated Iron represents organic iron in such highly condensed form that one dose is estimated to be approximately equivalent to one-half quart of spinach, one quart of green vegetables or half a dozen apples. It is like taking extract of beef instead of eating meat.

THIS picture shows you the Nuxated Iron tablets with the letters N. I. on every tablet. This is your guarantee that you are getting genuine Nuxated Iron.

The following is a brief description of Nuxated Iron: It is a strong, precious metal, strength and blood-builder. It is said to be the offering of numerous health benefits and limitations. Investigation shows that many of these instead of being organic iron may be nothing more than metallic iron. In some instances produce more harm than good. Such instances have led physicians to emphasize that health officials and doctors everywhere should caution the public against accepting substitutes for Nuxated Iron.

OVER 4,000,000 PEOPLE annually are using Nuxated Iron. It will not injure your stomach, nor will it irritate your bowels, but will certainly enrich your blood, help revitalize your worn-out exhausted nerves and give you new strength and energy. It costs about ten times as much to make organic iron as metallic iron, but it does not cost twice as much to buy, but little more. Always insist on having genuine organic iron—Nuxated Iron. If you are not feeling quite up to the mark, take Nuxated Iron today. Inability to buy it locally, for the letters N. I. on every tablet. Your money will be refunded by the manufacturers if you do not obtain perfectly satisfactory results. Nuxated Iron for the blood and nerves is sold by all druggists.

LEAVE YOU FOREVER

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and excreted from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. He therefore instructed druggists everywhere to dispense ALLENBIE with the understanding that he will freely return the purchase money to the first bottle to all who state they received no benefit.

OBITUARY

John Coke Foster
Funeral services for John Coke Foster, of Higby, former Portsmouth resident, who died Wednesday morning, will be held from the residence Friday afternoon at two o'clock. A number of local people will attend.

Mr. Foster, a well known farmer of the Higby neighborhood, passed away after a paralytic stroke. He was about 75 years of age and leaves a widow, two daughters and four sons.

Infant Hill
The son born to Mr. and Mrs. Arthur Hill, of 1165 Lawson street died yesterday morning, when three days old.

The body was shipped last night to Paintsville, Ky., where funeral services were conducted and interment made today.

Betty Jane Shields
Betty Jane, 13 days old daughter of Mr. and Mrs. Thomas E. Shields, of 2210 Eighth street, died Wednesday morning of infantile trouble. The remains were laid away this afternoon in Greenlawn cemetery, following funeral services from the home at 2 o'clock.

Roseana S. Rogers
Roseana Spradling Rogers, daughter of Samuel and Sarah Spradling was born at Harrisonville, now Minford, Ohio, July 18, 1863.

Some years ago she was married to Charles Cushing who preceded her in death several years ago. Later she was married to Elijah Rogers, who still survives.

Having been afflicted with cancer for some time, Mrs. Rogers was at Hempstead Hospital, Portsmouth, O., when she departed this life November 3, 1923, aged 57 years, 3 months and 15 days.

Mrs. Lora Davis of Greenfield, O., and Mrs. Mollie Chentwood of Bowling Green, Ohio, are the only survivors of a large family.

Funeral services were conducted from the Minford church at one o'clock Monday afternoon. Rev. C. W. Brady, former pastor of Manty M. E. Church, Portsmouth, but now of Sciotoville, officiated. The remains were laid to rest in the Bennett cemetery.

Baby Hogan
The home of Mr. and Mrs. W. C. Hogan, of 2021 Twentieth street was brightened on Saturday, November 3, by the birth of a little son, Clyde Lemon, but was soon plunged into sorrow by the death of their little one Tuesday, November 6.

Short services were held at the grave by Rev. Gerald Culherson on Wednesday afternoon at 2:30 o'clock. Burial in Greenlawn. Mr. and Mrs. Hogan have one other son, James David.

Chris Blisinger

WEST UNION, Nov. 8—(Special to Daily Times)—Chris Blisinger, 87, is dead at his home near Fairview. Weakened by age and its infirmities, he was unable to overcome the effects of an operation for appendicitis performed two weeks ago, and passed quietly away Wednesday morning at 9 o'clock.

With his passing, the total of deaths in his family in the past four months is raised to three. Four months ago his faithful wife passed away, and about two months ago his son-in-law died. He is survived

November--The Month Of Scores Of Needs --But Then Here's Andersons'

Sale of \$1.50 Luxor Double Compacts \$1

Here is good luck for just about two hundred women. We have been selling the popular Luxor double-compact for \$1.50 ever since it came out a couple of years ago. So has everybody else. But now through a special deal with the makers we are permitted to sell about two hundred of them at only \$1. Every woman that powders will be interested in this special. Those who don't can pass the good news to the rest. At this price they ought to go like hot cakes. Buy them to give away as presents; buy them for your own use; buy one, two or three and get a supply during this sale. Luxor means quality when you see the word on toilet articles.

They're on sale beginning tomorrow. Buy a plenty.

"Gimme a Towel That Is a Towel"

Don't you hate to reach up and get hold of a thin shabby towel when you have just had a good wash and your face and hands are dripping wet? Or, are you just the best satisfied to get out of a good bath and have to use a little dinky bath towel that gets soaping wet the first pass you make with it? I thought so, we don't like it a bit better. That's the reason we are calling your attention to this sale of towels. Just two numbers, please, and both good ones.

HONEYCOMB ABSORBANT TOWELS large size (21x40), full bleached and possessing a lot of wear. Make ideal hand towels, give good service and they do what a real towel ought to do—dry your face and hands in a jiffy. Price only 29c.

LARGE BATH TOWELS with pretty Pink, Blue or Gold borders. The sightliness pleases the women; the size and service pleases the men. Size 23x42 inches, these Turkish Bath Towels have weight, wear and the drying properties you admire. We say they are bargains at 89c each.

MEN! A Great Dollar Shirt Sale to Clear the Tables for Christmas Things

Friday and Saturday are the days set for the slaughter.
We have just five hundred men's shirts that must be gotten out of the way to make room for the arrival and display of Christmas merchandise, so to do the clearing-away in jig time we throw the entire bunch of five hundred shirts out on special sale Friday and Saturday at only a dollar a piece.

They are all neck-band style, neat patterns and solid colors, all are \$2.25 grade and with slight imperfections, so slight as to fail to register with the ordinary fellow, but a woman might see a crooked thread or something.

It's the shirt opportunity of the season. A dollar a shirt.

Icy-Hot Bottles And Lunch Kits

Genuine Icy-Hot bottles, half-pint size, with aluminum shoulder and cup. The kind usually sold at \$1.50, our price now 98c. Icy-Hot Lunch Box with pint size Icy-Hot Bottle, special only \$1.98 for the \$2.50 value.

Terrible Accident--Mary Lost Both Arms!

Oh well, it's not so much to worry about either because Mary was just a great big doll, and while the doll's owner wept real tears over the accident, her mamma told her not to cry for Andersons' Doll Hospital would fix "Mary" up just as good as new and so the little girl brought in two packages, one containing the body and the other the arms. There was a look of doubt and uneasiness on the little child's face as she asked the man if dolly could be fixed. But when dolly was returned as good as new and dolly's little "Mamma" had wiggled the arms to finally assure herself that all was well, the little play-family had a great reunion and Andersons' Doll Hospital, in the eyes of the children, can work miracles.

Heads, wigs, arms, hands and other pieces and parts necessary for the repair of broken dolls are kept in our Doll Hospital, third floor.

Manufacturer's Sale of Fancy Pieces

A big New York importer offered us a big lot of Spanish hand-made, Spanish Lace and Maderia pieces in the various sizes with which to stage a special sale for a limited time only. The pieces are all here and go on sale tomorrow. What are not sold by November 21 must be sent back.

What a splendid opportunity to choose a few rich,

decent and acceptable Christmas presents. You'll have a big shopping-list ere long, so just slip down tomorrow or Saturday and buy a piece or two of these beautiful hand-made linen pieces and later on you'll be mighty glad you took our advice.

Beautiful pieces, all of them. Various sizes in either round or square, some trimmed in real lace, some handsomely embroidered and every piece of fine linen.

New Shoes and No Bread in the House

How we used to make that remark when we were children, because the getting of new shoes was a real treat, so we thought, something to be proud of, and every child was tickled. The wearing of new shoes now by children brings just as much pleasure as it ever did, but how much more real and lasting joy is put into children's feet now-a-days than formerly. It used to be Dad would cut a piece of twine just the length of Johnnie and Mary's feet, take the sticks to the store, buy a pair of shoes the same length and Johnnie and Mary were supposed to be satisfied. Many a grown-up now has foot trouble because of such crude methods, but if you'll bring your little Johnnie and Mary to Andersons' special children's shoe store we'll guarantee that when they get big like you they won't be suffering from feet ruined by ill-fitting shoes worn when they were children.

All the new styles for fall and winter are here. Dress and school wear models a plenty and we will do the fitting.

He also claims to represent them in the winding up of the affairs, and states finally that when his plans are carried out, their stock will again be placed on the market and sold at par. He adds that this can only be done if each stockholder will contribute twenty-five cents per share on all stock owned. Thousands of dollars have already been collected by him, and I will say frankly that he has no standing in court, is not a lawyer, and my best information is that his scheme is to collect money and will be of no service whatever to the people.

Any assistance you can give in pro-
tecting the stockholders, I feel should be promptly given; and any use you
desire to make of this letter for such
purpose, will meet with my approval.
Very truly yours,
G. C. CRABBE,
Attorney General.

The first real flakes of snow fell intermittently this morning as a gentle reminder that King Winter is here and here to stay some time. A two inch snowfall was reported in Columbus, today.

CARD OF THANKS
I wish to thank all my friends for
their many acts of kindness and for
their sympathy following the death
of my husband. I will never forget
how they helped me to bear the
burden of grief.
MRS. R. D. McQUEEN,
Attorney General.

Dolling Stockholders Should Beware Of J. A. Bushnell, Attorney-General Says

Prosecuting Attorney S. Asuelin Skelton has received the following letter from Attorney General C. C. Crabb:

Dear Sirs:
I desire to call your attention to the activities of one John A. Bushnell of Columbus, Ohio, who claims to be representing the stockholders of the R. L. Dollings Company. I am confident that the records will show that Mr. Bushnell was not a Dollings stockholder,

but secured a few shares of stock for the sole purpose of organizing a committee and thus commercializing the situation. Although he claims to be a relative of former Governor Asa Bushnell, Mr. Bushnell, Jr., of Springfield, called this morning and denied any relationship to or knowledge of John A. Bushnell of Columbus.

There is a stockholders' committee composed of very prominent men and women who were originally stockholders of the Dollings Company, of which Judge P. O. Bistline, of Bowling Green, is President. E. A. Lubanks, a prominent attorney of Jackson, is Vice Pres-

ident. Miss Martha Skeen, of Beloit, is Secretary, and C. J. Bonacolumbus, is Treasurer. This committee was organized for the mutual protection of the stockholders and not for the purpose of profit. Although little can be learned as to the past record of John A. Bushnell, Columbus, Ohio, I find that he has been living for a few months at the Northern Hotel, Columbus, Ohio, and has resided in numerous cities outside of this state, sometimes engaged in selling stock. He is carrying on an extensive campaign of letter writing, and holds false hopes to the unfortunate stockholders.

REMEMBER BELOVED PASTOR

Yesterday the children of Holy Redeemer School presented their beloved pastor, Rev. J. E. McGuirk, with a basket of beautiful flowers and a box of choice cigars in honor of the forty-fourth anniversary of his ordination to the Holy Priesthood.

He was ordained by Archibishop Purcell in St. Francis Church in Cincinnati, on November 7, 1879, and has been the popular pastor of Holy Redeemer Church for over thirty-five years.

New Boston Candidates Are Winners

New Boston residents carried off all honors in the election in Clay Township. W. D. Lewis, Clyde Cochran and Frank Wolfe were the three townsmen elected to the Board of

Trustees.

Pile Sufierers

Can You Answer These Questions? Do you know why oldtons do not give you relief and lasting relief? Why certain operations fail?

Do you know the cause of piles? That there is a stagnation of blood in the rectum?

Do you know that there is a harmless internal tablet remedy discovered by Dr. Leonhardt and known as HEM-ROID? HEM-ROID banishes piles by removing the internal cause, by freeing blood circulation in the lower bowel. This stimulates the rectum, which is an important relief for most cases of piles. HEM-ROID relieves piles by removing the skin of all that clogs it—the causes of flatulence, blackheads and blemishes. It brings the blood to the skin to tone and revives it. The result is that piles disappear, go away and never return. Many women, with one application, seem to drop out.

It firms the skin, combats all lines and wrinkles, reduces enlarged pores. My hairy complexion, at the age of 62, shows

the place of Squire J. L. Rickey. Wolfe polled a total vote of 515. The other candidates and their vote, John Payton, 317; A. R. Campbell, 270; Carl Farmer, 243, and T. H. Lester, 63.

**My Beauty**

Came from Clay—and clay has kept it
By Edna Wallace Harper

Today you hear much about facial washes. No girl or woman who cares a whit for beauty can afford to omit clay. The users of clay stand out in every crowd.

But there's a better clay that others offer now. It is a clay which France perfects for me. I call it my White Youth Clay.

If you have used another clay, this clay will surpass it. If you have never tried this clay, it will be at your call. Our gratitude for what it did for me, I can offer it to all.

The supreme help Clay does more than anyone's beauty. Even all other soaps combined, it purges the skin of all that clogs it—the causes of flatulence, blackheads and blemishes. It brings the blood to the skin to tone and revives it. The result is that pores are restored to normal again and again. Many women, with one application, seem to drop out.

It firms the skin, combats all lines and wrinkles, reduces enlarged pores. My hairy complexion, at the age of 62, shows

the place of Squire J. L. Rickey. Wolfe polled a total vote of 515. The other candidates and their vote, John Payton, 317; A. R. Campbell, 270; Carl Farmer, 243, and T. H. Lester, 63.

Interest in Railroad Mortgages

NEW YORK. Nov. 8.—Interest in railroad mortgaged bonds advanced from large fractions to small ones in the early part of the year. Some of the bonds reached a point where there was little trading in them. Small issues received the industrial group and prices were generally recovering. Central Leather Co.'s 5% yesterday recovered slightly.

Peacemaker Suffered

BROKEN LEG IN FALL

It often happens that the peacemakers are the worse of an argument and it was last evening when George W. Hunter, 100 Scott Street, enacted the role of peacemaker. The result was a broken leg left below the knee for Hunter.

He seems that his wife had ordered a man from the house and that her brother added a few words to give the order more force. This led to a clash between the man ordered out and the woman's brother. In the mixup the woman was struck in the mouth and had a tooth knocked out.

That was enough for the husband, so he stepped in and in the mixup fell to the floor, breaking a leg.

Shorts, Contesting the Advance, Forced To Cover

NEW YORK. Nov. 8.—Speculators for the advance resumed their operations with increased vigor in today's activities and forcing a number of shorts who have been stubbornly contesting the advance, to cover their commitments. U. S. Steel, Baldwin and other industrial leaders reached new high levels on the movement. Sales approximated 750,000. The closing was strong.

NEW YORK. Nov. 8.—A moderate demand for oil shares featured the firm opening of today's stock market. Initial changes as a result were small. Congoleum advanced 4¢ to 105¢, a new high record for the year.

The upward movement continued through the early dealings with food, leather and motor shares assuming the leadership. Maxwell A. jumped 3¢ points and gains of 2¢ to 3 points were recorded by Famous Players, American Tobacco B., Market Street Railway preferred and Second preferred, Tidewater Oil, American Hide and Leather preferred, and Central Leather preferred. Foreign exchanges opened firm.

The market broadened as trading progressed, gains of a point or more being registered by more than two score issues before noon.

The strength and activity of a number of minor stocks suggested a resumption of pool operations in those issues.

Buying was helped by the increasing optimism of commission house mar-

ket-tiers. Many shorts, who have

been contesting the advance, were

were forced to cover during the morning, some sharp gains resulting from their

scrapping for stocks in thin market,

Maxwell Motors A., Brown Shoe,

Stromberg Carburetor, Market Street

STANDS ON HER DIGNITY

SCIOTO county certainly demonstrated, Tuesday, on the jail bond issue, that she means no longer to suffer reproach because of the forlorn shacks that she has long used as public buildings, but that her new jail as well as her new court house, shall reflect her importance and her just pride therein.

To most persons the proposal to issue bonds to build an adequate jail was the most hopeless ever put before the people. As they saw it the city would give it only scant support and the outside county would be overwhelmingly against it. There was happy disappointment in three ways. Portsmouth turned in an avalanche of votes for the proposition and the rural precincts gave it by far larger support than was anticipated. In this respect it does seem a trifle strange that while the city pays about three-fourths of the taxes, it has both in the matter of court house and jail been called upon to carry them through. In a way the two stand about a fifty-fifty proposition. The court house is more of a county proposition than a city, because country people have more business there than the city and usually the officials come mostly from outside, while the city contributes the greater number of guests to the jail.

This, however, isn't important. The big thing is that, on Tuesday, the voters, who must be taken as a whole, declared their faith and their pride in their home, best token that the future holds much to her growth and glory.

CURIOSITIES OF VOTING

FEW pastimes are as fascinating as the study of election returns. Delving into them you will find all sorts of human differences and vagaries appearing. Voters appear to scratch and change for any reason and for no reason at all, mostly.

It can not be solved, for instance, why Harrison, Madison and Green townships should vote solidly against the jail bond issue, while Rush, Valley and Washington give it substantial support; no more than it can be told why the city disapproves it by proportionately the same vote.

Startling is the fact that while most of the counties declared for eliminating the word "white" from the constitution, Green, the specially promised land of the Negroes and where they have a college all of their own, repudiated it according to early returns.

What accounts for the vast difference of the vote on the Taft and the Albaugh acts? One meant more taxes, the other merely a change in reviewing assessments and the creation of a new bureau.

Why did the rural districts go so solidly against Workmen's compensation? Was it a flaming out of the old prejudice of country against city? The measure itself does not touch farmers. Let it be said to her honor that rural Scioto was an exception to the rule.

Such peculiarities might be carried into columns, but they all come back to one proposition—you can't tell how the people are going to vote.

New York—Day-By-Day

BY O. O. MCINTYRE

NEW YORK, Nov. 8.—One of the greatest American playwrights told me the other day he would never write another play. His complaint is one that is frequently heard—that producers do not play a fair game.

He says the man who holds his act above chicanery hasn't a chance in the devils customs that producers employ. In all his experience, he says, only two producers have kept their word.

Seven months ago he left a play with a certain producer. When he went around to see what had happened to it, he was asked by a police secretary to wait for a few days. He demanded his script. He found it had not been opened.

The loss in this particular instance was heavy, for another playwright had embodied the big theme for a play and it has within the past week been launched as a success. There was no plagiarism, he says, but had the producer read his play he would have had a chance to market it before the other fellow.

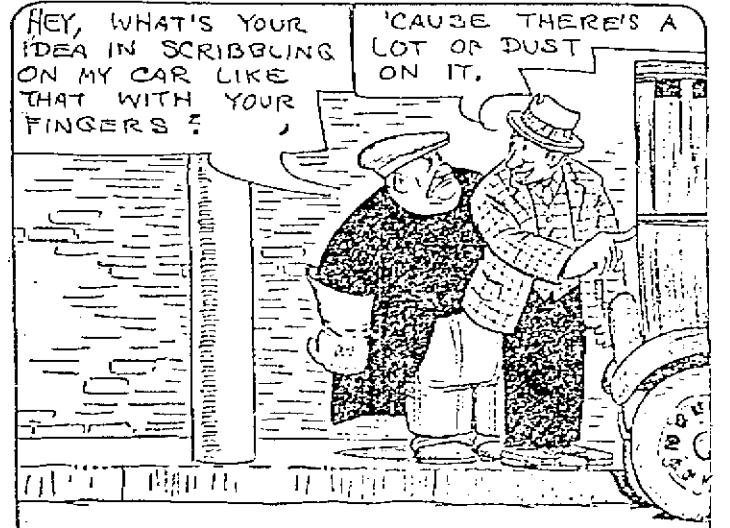

Playwrights have found that when producers find a play worthy but are unable to produce it at the moment, they resort to promises.

My mood seems to be unpleasant

today. I have been making the rounds of the New York dog shops.

Prominent Jackson Citizen Drops Dead

Charles O. Brown, aged 65, president of the Star Furnace company of Jackson, and one of that city's most influential citizens, apparently was in his usual health when he entered the Smoke House there this morning to buy his daily paper. After talking to the clerk for a moment or two, he recited forward, and falling to the floor,

died before medical aid could be summoned. His death, coming without warning, probably was due to heart trouble.

Mr. Brown was known and respected by everyone in Jackson, where his sudden death caused profound sorrow. He is survived by a niece, Miss Dorothy Eldridge, of Jackson, and two nephews, Walter Brown, of

Jackson and Lewis Brown of Detroit. He was a son of Isaac Brown, founder of the Star Furnace in Jackson. Mr. Brown was prominent in Masonic circles in his home town and was a Knight-Templar. He was for many years a loyal and active member of the Presbyterian church in Jackson.
